

GROUP CARE VOLUNTEERS (FREEZER MEALS)

About Us: Closer to Home Community Services (CTH) is a Calgary and Airdrie based not-for-profit agency that delivers a variety of services designed to meet the needs of vulnerable children and their families. Be a part of an innovative team that envisions:

- A future where every child will belong to a family and feel valued and secure
- All families can care for their children and contribute meaningfully in their community
- A broad array of strength-based and family-centered services that teach, coach and support families to create new possibilities and achieve better futures together

About the Position: Many of the children and youth we work with are dealing with stressful and sometimes traumatic situations, including family separation. Through the simple act of cooking, volunteers can bring a smile to their faces and let them know someone in the community cares about them. Volunteers can cook freezable meals for children, youth and families served through Closer to Home's programs. Get together as a group for a fun day of cooking and package up the meals to bring to the Closer to Home office at 3507A 17 Avenue SW, where we will distribute them to the children and youth in our program.

Volunteers will need to provide the ingredients for their recipes and the materials to package up the meals (i.e. containers or freezer bags). They will also need to provide the space for the activity, as Closer to Home does not currently have space available in our facilities for this project.

Interested applicants are asked to submit their resume and a completed Volunteer Application (found at <http://calgaryclosertohome.com/volunteer/current-volunteer-opportunities>) to:

volunteer@closertohome.com
