

GROUP CARE VOLUNTEERS (SEASONAL CLEANING)

About Us: Closer to Home Community Services (CTH) is a Calgary and Airdrie based not-for-profit agency that delivers a variety of services designed to meet the needs of vulnerable children and their families. Be a part of an innovative team that envisions:

- A future where every child will belong to a family and feel valued and secure
- All families can care for their children and contribute meaningfully in their community
- A broad array of strength-based and family-centered services that teach, coach and support families to create new possibilities and achieve better futures together

About the Position: Having a clean and visually appealing home can have a big impact on the mental health and comfort levels of the youth who live in our Community Teaching Homes (group homes). With limited agency resources available, volunteers could make a big difference by participating in seasonal cleaning and yard work at the homes.

Groups of 10-15 volunteers could spend the day at one of our homes cleaning the inside of the homes and completing yardwork outside (depending on the season). For example, spring activities could include planting flowers, and fall activities could include raking leaves.

Closer to Home operates three Teaching Homes – two are located in Calgary and one in Airdrie. We could accommodate groups of volunteers on different dates at each home.

Volunteers will need to provide cleaning supplies for their group as well as plants, soil, and other supplies that may be needed for the planned yard work.

Interested applicants are asked to submit their resume and a completed Volunteer Application (found at <http://calgaryclosertohome.com/volunteer/current-volunteer-opportunities>) to:

volunteer@clostohome.com
